U.M.S.U.

President's

Message

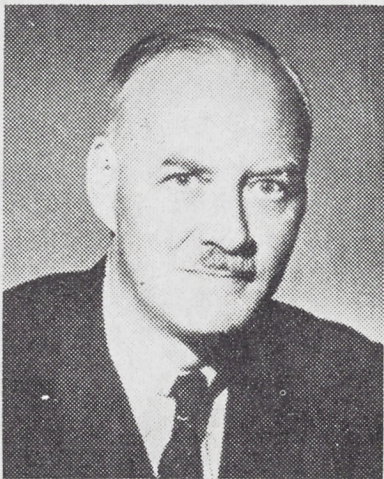

The Telephone Directory is a publication held in respect by everyone attending university. This much-used edition contains the names and telephone numbers of all students and professors, and as well, lists the members of the U.M.S.U. Council, the faculty councils, and other related organizations functioning on campus.

It is our hope that each student will make constant reference to this publication and that it will aid in the development of his academic and extra-curricular life at the university.

This Directory could only be produced by the hard work and careful attention of the editor and his staff. May I take this opportunity to congratulate those responsible for the publication of this book, and extend to them the appreciation of the student body.

—Jim Foran, President, U.M.S.U.

## *University President's Message*

My best wishes and congratulations go to Dave Sandell and his co-workers for the preparation of the Telephone Directory. Such a book represents a great deal of work; but its usefulness to all the students and staff justifies that work, and places us in their debt.

Hugh H. Saunderson,  
President.

# IN 5 YEARS — WHAT?

FIVE years from now, what will your situation be? Of course it's hard to say, but quite possibly your circumstances will be different. You might need additional life insurance coverage, or perhaps the condition of your health will have changed, or you will have decided that you need some sort of guaranteed income when you reach retirement age. To take care of these and other possibilities, the Sun Life of Canada has devised an "Adjustable Policy" which gives you the benefits of im-

mediate insurance protection but five years to decide which of four valuable types of contracts best suits your needs.

So you see—there's no need to hesitate, especially when you realize how dangerous it can be to put off buying Life insurance. This Sun Life Adjustable Policy is just packed with advantages and can fit wonderfully into anyone's plans. Why not call me today and let me explain the whole thing in greater detail? There's no obligation.

# Whatever Happened To Old Joe Bltfsk?

• KEEPING TAB on Manitoba alumni is one of our jobs and we'll frankly admit we've gone and lost Joe (Class of '02). He was last seen glowering from under Cloud No. 9.

Will you make a promise to help us when YOU become a graduate? Don't get lost like Joe. Please, always let us know if you change your name or address.

You see, we can help you, too, but only if we know where you are. Through the Alumni Journal we'll send you news of other graduates and of University doings. Through our branches in other cities and through faculty organizations you'll meet old friends and new ones, too, wherever fate (or husband) may take you. And through the Association you'll be able to promote the welfare of your Alma Mater and of future generations of students.

Promise?
